This is what YOU helped us accomplish!
The Board of Directors, chaired by Ari Sorko-Ram, has chosen Kobi Ferguson as the next leader of Maoz Israel Ministries. Kobi accepted, and has completed two years of a three-year transition, and will take the reign of leadership permanently on January 2021. Ari and Shira will continue to stay involved, but are thrilled that Kobi, and their daughter, Shani, will be leading Maoz together for years to come. They understand the vision of Maoz, and will continue to make believers STRONG in Israel.
Our studio continues to record new and fresh music from the Land. We completed the Arab Worship Initiative, and published a CD by the Sakhnini Brothers (Arab believers living in Nazareth). It is for the Arabic audience, and we believe it will impact many through the sounds of worship and praise in Arabic. We continue to provide professional-level training and publishing opportunities to believing Israeli musicians, singers, songwriters and engineers in our world-class studio.

We also continue to expand our Fellowship of Artists, where dozens of Israeli worship leaders and artists are gathering together from all over Israel for times of mentoring and collaboration.
This year we trained 60 musicians from all over Israel—ranging in age from 7 to 16 years old. At the end of the conservatory season, we held a recital in Tel Aviv, where they performed brilliantly. We are committed to training the next generation of worship leaders, musicians and composers—for the Kingdom!

Our Maoz Israel team visited children in hospitals. There, we loved on the children, and gave each one of them the book, “You are Loved” by Max Lucado in HEBREW! The smiles on their faces were all we needed to see to tell us we brightened their day!
We support several Arab outreaches, though their activities are often too sensitive to publicly reveal. Through the years, we have been able to touch the Israeli Arab community in a variety of ways—providing vehicles, materials in Arabic, financial assistance and humanitarian help. In 2019 we worked significantly in 10 Muslim and ethnic Arab villages.
We sponsored a sold-out concert in the city of Nazareth, where 600 attended to hear the magnificent music of the Sakhnini Brothers. It was a great success, and we plan to do more of these concerts all over Israel, as well as Europe and the USA.
We continue to work on our book projects, and currently have 5 books in various stages of translation and production.

The Narrated Bible in Chronological Order in Hebrew is a three year project, and we are just one year away from completion and have reached our goal of raising $539,000 for this important tool. Our team for this project includes scholars from the Israel Bible Society. A Bible that Hebrew speakers will be able to read and understand!
The congregation we founded, Tiferet Yeshua, has a ministry to feed the homeless. This year, we gave over $30,000 to help them provide a hot meal, and a warm place to eat it.
This year we partnered with Netiyah, sponsoring one of their 22 yearly programs--this one, for young men and women who will be joining the Israel Defense Forces. This program helps them navigate and prepare for the challenges they will be facing as they walk through the gates of the IDF induction center.
Once again this year, we helped to sponsor the Katzir (Harvest) youth camps. They are held multiple times a year, and attract teens all across Israel. They provide fun, connections with other believers, and a safe spiritual oasis for our Israeli teens to grow and strengthen their faith. We believe they are the future of Israel!
This year, we partnered with the Aliyah Return Center, which assists Jewish immigrants to become established in the land. Located on a deserted school campus in the Galilee, this is an ideal place for new immigrants to get the help they need to find their home in Israel.
We published 12 monthly issues of the Maoz Israel Report, and 50 issues of the weekly Prayer Journal (prayer points for the week).
When you support Maoz Israel you’re strengthening the *body of believers throughout Israel.*

**You can make a lasting difference in the future of Israel. Give today.**
