Making Believers *Strong*

IN ISRAEL

MAOZ is a multi-faceted Israeli ministry working with the Body of Messiah throughout Israel

Our life's work in Israel is based on the mandate of the Great Commission, to point the Jewish people to the Way, the Truth and the Life.

For more than 50 years we have been bringing the Good News to Israelis through many different venues and programs. Partnering with over 100 congregations across Israel, and working in partnership with other ministries wherever we have opportunity to see harvest and fruit! In fact, how can we say we love our Jewish people, and yet deny them the opportunity to hear the Good News?

I Stand with Israel

I Stand with Israel was established by Maoz to aid widows, orphans, victims of terror, needy families and those with medical emergencies. ISWI also subsidizes higher education/vocational schools for young believers and new immigrants. Skilled workers with economically stable families make strong witnesses to the lost and better serve their congregations!

Since its launch in 2002, ISWI partners have enabled us to distribute more than **\$8.5 million to both Jewish and Arab**

A NETWORK OF

Over 100 Congregations

Over the years, Maoz leadership has founded, as well as strongly supported, congregations across the country. Among them is **Beresheet (Genesis) Congregation**, pastored by David Safafa, began as the first Hebrew-speaking Ethiopian congregation but has quickly become multi-ethnic and is considered one of the fastest growing congregations in Israel with the average age of members/attendees under thirty.

Youth Outreach & Discipleship

For many years, Maoz partnered with Israeli ministries whose calling is reaching out to youth and teenagers through conferences, seminars, worship evenings, sports camps and many other regular events. These costly— but critical—youth events have brought many children into the Kingdom, and rooted them in solid ground. One of the important focuses for Israeli youth ministry is preparing them to be leaders as well as to stand strong in their faith during their mandatory military service—like in the “Sports and Leadership”

Translating & Publishing

HEBREW BOOKS

Publishing books is part of our DNA! It is a core value—to create a growing collection of significant books and life-changing literature for spiritual growth in the Hebrew language and culture.

We have published over 160 books for the ever-growing number of Israeli seekers, offering them the opportunity to understand the Word of God and sow deep roots into their faith.

We've translated Bibles and devotionals for adults and kids alike, including *The Narrated Bible in Chronological Order*, the comic-style *Action Bible* for teens and tweens and *Jesus Storybook Bible* for younger children.

Praise & *Worship*

Lead the Worship, Lead the World.

Worship through music is one of the strongest and most powerful avenues we have to reach the lost sheep of Israel. It is the international language that gives glory to God! For this generation, many youth can be reached with the Good News through music in a way that nothing else can. **Maoz Israel Music** uses its 3000 sq. ft. recording studio in Jerusalem—the City of Worship—to produce worship music in Hebrew, English and Arabic.

Through **Integrity Music**, its distributor, Maoz Israel Music releases a new song every other Friday! **Subscribe** or **follow us** to be notified every time a new song is released!

DISCOVER

Israeli Worship

Everything you know about the worship of the One True God originated in Israel. Worship songs and Psalms recorded in Scripture influence your life thousands of years later. If God's calling for Israel is irrevocable, what kind of impact could modern worship from Israel have today?

Modern Day Psalmists

Our team is very diverse in their background and skills, but what we all have in common as Israeli citizens is our love for our people and our desire to use our gifts to make the God of Israel known among the nations.

Israeli Children

BECOMING WORSHIPPERS

Thirteen years ago, we began a program to train Messianic children to be worship leaders. *“Music Making for Kids”* has surpassed our wildest dreams. The program enrolls children with high motivation and talent from ages approximately 7-18, until army service.

We have about 60 children enrolled across the country. Many of our graduates are now writing worship songs, playing in orchestras, and the State is sending some abroad to represent Israel. It is incredible to see these kids grow into worshippers who bring the presence of God into their congregations.
